

Analysis request for doping-related substances

To whom it may concern,

I hereby authorize you to analyze the attached products for doping-related substances.

I am aware that the analysis report may not be copied or published, not even partially, without written permission, with the exemption of registration for the Cologne List® managed by the Olympic Training Centre Rhineland (www.koelnerliste.com).

The analysis results, the name of the German Sport University, the Institute of Biochemistry and the Centre for Preventive Doping Research may not be used for advertising purposes.

The ISO/IEC 17025:2018 accredited test methods SOP_NM0106 and SOP_NM0207 are used for the analysis. The proof of accreditation for the test methods is available in D-PL-13340-01.
